Whether your child has never played soccer before or they have a few years of soccer under their belt, this camp is a perfect fit at a great price! During this camp we will go over the basics of soccer with your child and will teach and reinforce the fundamentals they need to be successful in soccer by teaching age specific tactics and skill development! Goalkeeper camp includes catching, punching, distribution, and positioning tactics of goaltending. These camps will be a great asset to any individual participating in the Parks and Recreation Youth Soccer League! Participants will receive a camp t-shirt.

### **REGISTER EARLY**

Registration is taken on a first come first serve basis at Clare City Hall. Our camp will fill up quickly so avoid disappointment and register early. You may walk-in, fax-in, mail-in or drop off your registration in the city drop box. This camp has a minimum and maximum enrollment. Any camp low in enrollment prior to the start of the camp may be cancelled or combined with another camp.

Participants will need to wear shin guards to camp and bring a ball for practice (ball is helpful, but not required); all other supplies will be provided! We also recommend sunscreen and water! In the event of inclement weather, participants will be notified.
